### Hired Labour and Sub-Contractors Excess Endorsement

You have declared to us that you do not engage or expect to engage any person (other than persons engaged in the business under a contract of service or apprenticeship) to perform work on your behalf or for your benefit during the period of insurance.

The Legal Liability section is amended by:

- (i) replacing paragraph (a) of the 'Personal Injury to Employee' exclusion contained in the 'What we exclude' column of Section 7 with the words "(a) is for personal injury to any person engaged in the business under a contract of service or apprenticeship arising out of or in the course of his or her employment." and
- (ii) deleting the paragraph under the heading 'Excess' at the end of the Legal Liability section and replacing it with the following:

#### "4. Excess payable in the event of a claim

An excess of \$20,000 applies to each and every claim for legal liability covered under this section 7 arising directly or indirectly out of or caused by or in connection with, or for, personal injury to any person who is not engaged in the business under a contract of service or apprenticeship, but who has been engaged to perform work your behalf or for your benefit in connection with the business ("contractor"). For all other claims under this section, the excess applicable to this section which appears in the schedule applies."
